Re: Baio & Marcille Architects PC
505 Main Street
Second floor
Metuchen NJ 08840

Metuchen New Jersey (May 8 2007) - Thomas Baio & Mark Marcille founders of Baio & Marcille Architects PC have mutually agreed to terminate their partnership effective Friday May 11, 2007.

The office space at 505 Main Street Metuchen NJ will become the principal office of Thomas Baio and his new firm Thomas Baio Architect telephone # 732-603-2415. Mark Marcille will be now begin practicing as Mark P. Marcille Architect with offices located at 364 Middlesex Avenue, Metuchen NJ telephone # 732-662-4598

“We believe that we can each better serve our clients through the establishment of a more personal structure and that individual expression & client satisfaction may be more readily realized.”

“The growing practice had us each becoming more concerned with the business than with the pursuit of architecture & client satisfaction. Separately we will each continue to serve our client base no differently. We will remain colleagues & friends.”

Each will share forwarding messages through the remainder of 2007 on their current website & telephone greeting. These may be accessed at www.BaioMarcilleArchitects.com or at their telephone number 732-603-2415.
